# **Training and Competing**

Training space can be booked at the start of the year through your student sports administrator.

### Out of hours SSP bookings:

- If a request is made between 17:00 on a Friday and Sunday evening then a high importance email should be sent to both <a href="mailto:info@surreysportspark.co.uk">info@surreysportspark.co.uk</a> and <a href="mailto:sspoperations@surrey.ac.uk">sspoperations@surrey.ac.uk</a> so that we have two teams who can pick up on it (also always cc in the Student Sport Administator to any correspondence). This can also be followed up with a phone call to SSP but an email will be more reliable as there are often queues at Front of House stopping them from answering the phone (especially on Match days) and dependent on what's going on in the building the Duty Manager is never guaranteed to be sat at their desk.
- The minimum amount of time required for the Operations Team is three hours as this will give them time to pick up on the correspondence and action accordingly.

#### **Team sheets**

You should fill in an online team sheet by Tuesday 23:59pm before a BUCS fixture on a Wednesday. We also require you to fill out paper team sheets on the day to swap with opposition captains to gain a full home and away team line up ready for the fixture in case of any queries in terms of player eligibility.

This is a requirement by BUCS due to having the ability to refer back to team sheets if a playing under protest form is submitted. You also require paper team sheets to be signed off by the opposition captain and official in charge of the game completed with final score. Finally, all team sheets collected will be used to identify eligibility for colours.

### **Transport**

The transport budget policy sets out the purpose of the fair distribution of the University of Surrey Students' Union (SU) transport budget, awarded to assisting the transportation (via USSU or Enterprise vehicle) of Team Surrey clubs competing away from home and training away from Surrey Sports Park.

Transport for BUCS fixture can be booked from the transport request email that should go out to all clubs and captains on a Thursday where you are able to request how many passengers you will be taking to an away fixture.

These requests are to be submitted by Monday 9am. All requests submitted will then be booked using Union transport first followed by Enterprise, a confirmation email about pick up times and locations will be sent out along with allocated vehicles Monday afternoon where you will be asked to raise a purchase order for your transport.

You will also need to make yourself aware of how to check the vehicle before departure & return and also the condition you need to leave the vehicle in with the correct amount of fuel. Please be aware that if you do arrive back and either the Union or Sports Park is closed depending on drop off location you may be required to deliver the keys to senate house security.

### **Submitting Your Scores**

When you have played make sure you text the result to the BUCS phone, so we can get them entered (we only enter home game scores, but having away fixture results help if we need to chase admins) All you need to do us let us know the score, team and clear indication of who won etc. **The BUCS phone number is 07970232937** 

#### **Individual Entries**

All entries must now be completed by the club, so it will be your responsibility to organise a time and date with the Team Surrey office to come and submit entries and have the correct information ready to input. In most cases BUCS will ask for a variety of information so it is best to collect all information from participants.

#### The information normally required is:

- Name
- Date of Birth
- Email
- Contact Number
- Student Number
- Ranking information or Governing Body membership information
- Emergency contact name
- Emergency contact number

#### **Fixtures**

On a Friday and Monday we will send out the fixture spreadsheet attached to the transport emails, this will include times and locations for you to use when booking transport or getting to the game.

Sometimes these do change so please check the sheet on both days. If you are unsure do send us an email. All fixtures should be arranged through the Team Surrey office as we are the one who need to communicate them to the opposition universities, so they can agreed and changed on the BUCS website.

By no means should you be organising a fixture without our knowledge and definitely not doing it through Facebook, so just ask us the question and we will liaise with the university!

# **Events, Socials & Trips**

### **Events**

- All teaching room bookings must be booked through the Union website booking form in Committee Resources. The form gives you options with scope for extra requirements if necessary.
- For Rubix or the Basement these can be booked out for your society to hold parties/ events/socials, be aware you *must* have enough money to cover the bar tab in your own funds in order to make this booking.
- If your event needs sound and lighting please contact stage crew and Ian Lipp (Technical Manager) on <a href="mailto:ussu.crew@surrey.ac.uk">ussu.crew@surrey.ac.uk</a> and <a href="mailto:i.lipp@surrey.ac.uk">i.lipp@surrey.ac.uk</a>.
- To book Steve the stag, a union gazebo or the Union Camera please contact ussu.information@surrey.ac.uk . Please ensure that if you are booking Steve you have two volunteers (one to be Steve and one to help Steve get round), give the mascot regular breaks as it can get very hot and be aware of the byelaw 41.2. This outlines rules with regards to not showing Steve in a way that would run contrary to the values of the union (drinking alcohol, smoking cigarettes, involved in lewd acts or in a partial state of undress). Including wearing all parts of the outfit in public/photos.

### Guest speakers: To do (no less than 10 days prior to your event):

- 1. Review the guest speaker policy
- 2. Complete the guest speaker form
- 3. Upload the form to the guest speaker folder with the speakers name and year e.g. "Jennifer Aniston- 17/18"

**Plasma Screens:** To promote your event on the screens around campus please email Zach at **z.zarantonello@surrey.ac.uk** and ensure that your message/short video will look best on the screens make sure to follow the specifications as set out in the guide.

To book any SSP facilities please email <a href="mailto:sspbookings@surrey.ac.uk">sspbookings@surrey.ac.uk</a>, ensure you email from your club email in order to get outreach prices.

### **Socials**

#### **Bar Crawls:**

If you are looking to book a bar crawl then you will need to complete the following steps.

- 1. If it is your first bar crawl then you will need to fill out a risk assessment form.
- 2. For every bar crawl, you'll need to submit a bar crawl submission form, a minimum of 3 days in advance. If you are having any difficulties with this form then please contact Jodie Barnes, Activities Manager on: <a href="mailto:jodie.barnes@surrey.ac.uk">jodie.barnes@surrey.ac.uk</a>
- 3. If you are looking to finish your bar crawl in Rubix, then please take a look at the 'Bar Crawl w/ Rubix' form on the website.
- 4. All students participating in a bar crawl should be aware of the Bar Crawl Policy.

All of the forms/policies referred to in 1-4 above are available on **ussu.co.uk/activity/resources** (you will need to be logged in).

To book tickets for Rubix or the Basement or to run your own night please email **Jade.Johnson@surrey.ac.uk** from your society email address.

Please be aware if you are planning a bar crawl for more than 100 students you must arrange with VP Community (ussu.vpcommity@surrey.ac.uk) for buses going from/to campus. We suggest including £1 bus ticket in the bar crawl cost. Trips

### **Trips**

UK Day Trip, UK Overnight Trip, Trip Abroad (tour run), Trip Abroad (independently organised)

When planning a trip, take a look at all the forms and information found under the 'Event & Trip Planning' section in <u>ussu.co.uk/activity/resources</u>. You will need to fill in the relevant form depending on your trip type.

If you are looking to go on a trip either locally or abroad, then the Union has a fleet of vehicles, including a 7 seat car, 9 seat minivans and 14 seat minibuses. If you would like to book these then please fill out the form found <a href="mailto:ussu.co.uk/activity/resources">ussu.co.uk/activity/resources</a> Any queries regarding transport services, please contact: <a href="mailto:ussu.transport@surrey.ac.uk">ussu.transport@surrey.ac.uk</a>

\*drivers of any of the Union vehicles will either need to be registered with the Union insurance or have taken the relevant driving test. These will need to be done well in advance of any trips. Please book these by contacting the transport email detailed above.

**NOTE:** The Transport Budget Policy prohibits the use of transport budget on trips.

# Standing out on Social Media

#### Pick the right social networks

Facebook? Twitter? Instagram? Snapchat? Or all of the above? Consider which social networks suit your club best. Although the temptation may be to make an account on all platforms; think carefully whether this would really benefit your club, or if you would simply be copying and pasting content between platforms.

If you have chosen to use multiple social medias, think about a different purpose of each, for example:

- A Facebook page to inform of event dates, how to get involved in the Club, and information about the activities you get up to.
- An Instagram account showcasing photos from previous events and socials.

### Know who it is you are targeting with each post

Although you may be always looking for new members, be careful not to have your posts come across as only marketing to prospective members. Make sure your current members feel loved too, after-all, you wouldn't be a club without them!

On the opposite end of the spectrum, if your posts feature too many 'inside jokes' and references only members will understand, prospective members may feel isolated. Try to strike a balance.

Have your followers feel involved by making your content interactive. If somebody sends a nice reply, favourite or re-tweet it; if another club follows you, follow back! Engage, engage, engage.

#### **Pictures Pictures Pictures**

A Picture is worth a thousand words and can make a far greater impact on your followers than a body of text. Look at the following examples from the same society, SteveSoc: which would you scroll past and which would you take a minute to read?

SteveSoc will be holding our Freshers'
'Welcome to Surrey' BBQ on Tuesday
September 25<sup>th</sup> at 6pm at the
University Lake. Please bring £2 to
eat. Vegan and Halal options

You don't have to be media-minded to create eye-catching graphics for your club. Websites such as www.canva.com can do all the work for you; all you need to do is choose the words!

It's also encouraged to have a photo of your committee members visible on your social media too as this helps put a face (or faces!) to a club.

#### Reoccurring posts

Continuity can help in giving your cluban identity and personality: whether it be through using the same colour theme on all your Instagram photos; having the same 'voice' throughout posts or having a monthly update post with a catchy name i.e. 'The SteveSoc Summary'.

If you are using Twitter, be sure to check out what's trending. If there's a fun hashtag going around, see if you can contribute if you can make it relevant to your club. #WednesdayWisdom and #MondayMotivation tend to trend every week and are good places to start.

#### Be in the know

Keep up to date with what's occurring in the union, the town and in the social media world in general. This was you can post content that's relevant to what's going on in your members' lives. Remember the mannequin challenge and the ALS ice-bucket challenge? If a similar fete comes around, consider taking part as a club!

#### Be nice!

It may seem obvious, but ensure that your posts come across as warm and friendly! Humour and sarcasm can be harder to interpret online so having a jokey 'beef' with another club may be best avoided, even if you are both in on the gag. Avoid the use of swear words in any context as these can come across as aggressive and are may be considered offensive to some of your followers.

#### **Advice**

For more help and advice on the best ways to utilise social media contact the Digital Communications Assistant, Izzy Watkins at <a href="mailto:ussu.digitalcomms@surrey.ac.uk">ussu.digitalcomms@surrey.ac.uk</a>.

# **Sports Standing**

These are typically on the first Tuesdays or Thursday of the month 18:30-19:30, LTD.

\*It is compulsory for at least one signatory to attend, emails will be sent to club emails with details of location and any other updates

### From the Bylaws:

"The Sports Standing Committee exists to support the VP Activity and Team Surrey Chair with sporting matters, and to raise issues relating to student sport. The full standing committee (voting members) consists of representatives of each sports club, each club is allowed one vote on the full standing committee."

# Starting a new Sports Club

- 1. Ensure your proposed sport or society is not listed as dormant. If it is, don't worry, email VP Activity to hold an EGM and reinstate the club/society.
- 2. If it is not already dormant you will need to find at least 20 other students interested in your proposed society.
- 3. Ask the 20 students to complete a form with their name, Surrey email, URN and signature; scan this in and fill out the 'New Society Action plan', finally send both forms to VP Activity (<u>ussu.vpactivity@surrey.ac.uk</u>).
- 4. VP Activity will invite you to a zone meeting to present your ideas to the Activity Zone, the zone will either vote to give it zone ratification status or ask you to go back and reconsider the proposal.
- 5. If zone ratified, you'll need to book an Annual General Meeting (AGM) to elect the society committee (President, Vice-President, Treasurer). All AGMs must be advertised for at least 2 weeks.
- 6. You will then be invited to Sports or Society Standing to request full ratification (approval).

\*Please note new clubs must first be ratified as a society, transfer to club status much be agreed with Team Surrey and can come into effect the following year.

# Changing your Club Name

To submit a formal name change a group must submit a petition of at least 20 full members to the VP Activity. Once received, the name change and revised group aims (if applicable) will be presented at the relevant standing and voted upon with a majority required to accept the name change.

# #stayingalive

# It's really not that hard to avoid dormancy. Make sure you do these 4 things to #stayalive

- 1. Complete and submit your annual report on time and in the correct format
- 2. Book an AGM during AGM season between March 4th- May 7th, advertise it at least 2 weeks in advance and get at least 10 people (or half your membership, whichever is the lowest figure) to attend.
- 3. Attend mandatory training or send apologies with legitimate justification for nonattendance.
- 4. Have 3 signatories, if for some reason a signatory must resign/step down the club will need an EGM, these can be booked here.

# **New committees**

#### Development plans

Once the new signatories have been appointed you will be asked to complete the Team Surrey Development Plan. The development plan is to get an idea of what you want your club to achieve throughout the year. You will be asked for three aims/objectives that you want to meet and how you will do this. You will then have progress report meetings with the Student Sport Experience Officer and Student Activities Manager to go through these and see how Team Surrey can help you if you are struggling to meet them.

By Easter you will have submitted a Budget with your Development plan.
The criteria for club budget allocation can be found here:
<a href="https://ussu.co.uk/activity/resources/Pages/Club-Budget-Allocation-Criteria.aspx">https://ussu.co.uk/activity/resources/Pages/Club-Budget-Allocation-Criteria.aspx</a>

#### **Signatory Agreement**

Following AGM/EGM, all new signatories must agree to the signatory agreement which outlines their responsibilities for the year. These include, for instance, management of finances, booking rooms or external speakers, and liaising with the Union in relation to external affiliations and legal agreements.

# **Money Money Money**

Nearly all clubs will have three accounts of money: Own Funds, Transport and Budget. It is worth noting that as a subsidiary group of the Student Union (which is a registered charity) you must also act like a charity. This therefore means you should invest any money you get, back into your members/club.

If you need to spend money from your club budget, speak to the SSP team, if you need to spend money from your Own Funds, speak to the Union team and if you need to use the transport budget email <a href="mailto:ussu.transport@surrey.ac.uk">ussu.transport@surrey.ac.uk</a> and <a href="mailto:ussu.finance@surrey.ac.uk">ussu.finance@surrey.ac.uk</a>

All BUDGET expenditures MUST go through the SSP team before any purchase is made!

#### How to use your Own Funds

#### Deposits:

It is extremely important to manage your club's funds correctly. All club money MUST go into your own funds account and NOT into a personal account. Payments made into own funds can be by cash, cheque, bank transfer or credit card.

### This can be done using:

- Sage Pay Online: You can set up a payment group online via the USSU website to take collection of funds from members, found through the signatories' panel on the website. This is a simple and secure way for members to pay for tickets and memberships (known as setting up a 'product').
- Cash: You can deposit cash directly into your own funds in the finance office during office hours. This can be done through the cash machine next to the SABBS office-you'll need to organise a time to get your user number for the cash machine from the Finance team so that you can deposit cash.
- Cheque: Address the cheque to 'USSU' only, as we only have 1 bank account for all sports and societies. Cheques shouldn't feature your sport or societies name.
- Withdrawals: Any registered Surrey Student can make a request of a withdrawal from Own Funds or Budget, online via the USSU website. However, the request will not be actioned by the Finance Department until 2 out of the 3 signatories have approved each transaction (and also by the VP Activity/Student Activities Manager in the case of Budget).

#### All requests should be made online.

If you click on the blue 'new document' hyperlink, it will open up the "Withdrawals Form":

**Cheques** If you need to pay via cheque then click on cheques and then fill in the information as seen. You can collect it from the SU (you must bring ID) or alternatively you can tick the box and get it posted to you.

**Bank Transfer** (BACS) This will directly pay a supplier or a member of your sport or club once approved. Make sure that you put the beneficiary name that's on the card. It's also highly recommended to have a suitable reference, so that you and the Finance Department know what the payment is for- an invoice number and description of what was bought would be good.

**Cash** You can request to have a sum of cash given to you from your account. This would be collected from the Student Union- you must have official photographic ID.

**Credit Card** If you have a large order of things to buy and don't think it makes sense to push it through a personal account, it could be worth paying via the credit card. Much like Cash, you need photographic ID to collect the card and this will only be available via collection from the Student Union. Any misuse will be investigated.

CREDIT CARD		
The credit card will be	e available for use immediately after approve (subject	ct to availability and opening times)
Amount	£123.45	
Name for Collection	Steve Stag	

**Purchase order** This is the recommended method of paying for anything for your club. Create a purchase order on the form. Once approved, you will be emailed a Purchase Order number (PO number). You then give this to your supplier and tell them to send the invoice to the Union at <a href="mailto:ussu.finance@surrey.ac.uk">ussu.finance@surrey.ac.uk</a>, who will then pay and sort out the rest of the payment for you.

If you have already been given an invoice, make sure to attach the invoice to the Withdrawal form and also email the invoice to ussu.finance@surrey.ac.uk

When done, just click submit request. You will then be emailed when your request has been approved or dismissed.

If you need to create a sales invoice, you must contact the Finance Office at: <a href="mailto:ussu.finance@surrey.ac.uk">ussu.finance@surrey.ac.uk</a>. The Finance Office is open Monday to Friday 8.30am-5pm

### Raising funds/Additional sources of income:

- Membership fees
- Fundraising e.g. bakesale or crowdfunding. You can book a stall in the library foyer using the Room Booking Request Form.
- University's Forever Surrey Fund, where amounts of normally no more than £10,000 can be granted. Applications for this funding usually open in late February for disbursement in April.
- Request zone funding Zone Finance Request Form for a one-off event.
- Some clubs seek additional funds through sponsorships. Please note that you must never sign a sponsorship contract without getting it cleared from the Union first.

# **Volunteering**

Volunteering offers societies the chance to engage with the local community and with the launch of the new volunteering platform there is a bigger variety of opportunities than ever for clubs to engage with.

#### How to volunteer as a club:

- 1. Go to: surreyvolunteering.com
- 2. Each individual from the club must sign up to **surreyvolunteering.com**
- 3. Each individual that wishes to volunteer for the opportunity must sign up to the opportunity
- 4. Once you have volunteered log your hours on surreyvolunteering.com
- 5. To log hours as a club, you must create a club profile, joining as a partner and must use your club email to do so. Signatories can then approve hours submitted by members who have signed up to the platform.

# Raising and Giving

Raising and Giving (RAG) is the brand under which all fundraising should occur within a club for any charitable cause. All cash raised should be brought to the finance office and put into the RAG account. You must then email ussu.finance@surrey.ac.uk with the following:

- Who raised the money?
- How much was raised?
- Which charity is the money for?
- How do you want the money sent to the charity (e.g cash, bank transfer)

The RAG account will send the money to your chosen charity.

Any questions on RAG please contact: <a href="mailto:ussu.vpcommunity@surrey.ac.uk">ussu.vpcommunity@surrey.ac.uk</a>

# **SurreyMoves**

SurreyMoves is a web app for University of Surrey students and staff that rewards you for being active.

Whether you're walking to lectures, taking part in a training session, or going for a run, you can earn points through SurreyMoves. Once you've collected enough points, you can use them to claim fantastic prizes like free coffee and a University of Surrey hoodie.

Use SurreyMoves to create challenges within your Club, encourage each other to try something new by coming along to our Campus Classes and join in at one of SurreyMoves events on campus.

Sign Up to SurreyMoves free of charge at www.teamsurrey.co.uk/surreymoves For more information email surreymoves@surrey.ac.uk
